

GREER REGAINS
SCULLING TITLEWrests Laurels From Harry
S. Bennett, of Spring-
field Club.WINNER CHEERED
BY LARGE CROWDNew York Has Half Length Over
Detroit at Finish of
Senior Eight.SPRINGFIELD, Mass., Aug. 15.—
Frank B. Greer, of the East Boston
Athletic Association, easily won the
title of single scull champion today in
the second day's program of the National
Regatta on the Connecticut river,
regaining the laurels lost last year to
Harry S. Bennett, of the Springfield
Boat Club.John O'Neill, of Halifax, who won the
right to compete by his victory in the
association singles yesterday, was a
good second, while Bennett was third,
with Durando Miller, of New York,
fourth, and Fred Shepherd, of Brook-
lyn, a poor fifth. This is Greer's fourth
championship, and he was heartily
cheered at the finish and warmly con-
gratulated by Bennett. The senior
eight-oared race was a hard fight be-
tween the four crews entered, half a
boat length being all that separated
the crews at any time. At the finish
New York had half a length over De-
troit, while the Minnesota bow oar was
abreast the Detroit coxswain, with
Riverside only two lengths astern.The afternoon started off well, with a
fine contest in the senior fours. St.
Mary's, of Halifax, was the fast entry,
and for a time was quite a factor in
the race. Vesper, led by the turn by a
short length, but had to work hard to
keep the advantage on the row home,
for Minnesota and St. Mary's, pushed
the Philadelphia crew right up to the
finish.

ANALOSTAN CLUB NOTES.

The Analostan Club will not enter the
regatta of the Potomac Club on Labor
Day, as there is not sufficient material
in the club at present to warrant an
entry. There is a crew on the river
nearly every evening, out for pleasure.
The personnel of the crew is: Edmonds,
stroke; Townsend (captain); T. Whol-
ley, 6; Roberts, 5; Jones, 4; Moody, 3;
Duckstein, 2; Watts, 1; Coffin, stroke.Another reason that the club will not
enter any races for a time is that there
is no coach at present. The managers
are making several improvements to
the building, the plumbing and accom-
modations, and the money which ordi-
narily goes for a coach is being put to
this use.Nevius is out nearly every evening
in his single shell, and if he can get
into any shape he may enter the Labor
Day regatta. He is often accompanied
by Howard, who is doing work in the
singles.Saturday night a party of the club
members left in the big war canoe for
Quantico for a short trip. They were
towed down by one of the launches of
the club.The club is making ready to entertain
any visitors that may be assigned to
them during regatta times.Messrs. McCauley and Fisher will leave
this week for a cruise down the Potomac
in their launch. Messrs. Schneider
and Edmonds are down the river now
cruising in the lower Potomac.DOUBLE IN EIGHTH

him well scattered, but Sparks was
wild.Sacrifice hits figured largely in the
run-making. The score: R.H.E.
Richmond 0 0 0 0 0 0 0 0 3
Portsmouth 0 0 1 0 0 0 0 0 4
Batteries—Sparks and Cowan; Hilbert

SURE SIGN.

Tess—That was Mr. Newcome who
was sitting next to you on the hotel
plaza this evening. What did you
think of him?Jess—It was so dark I couldn't see
him, but I'm sure he's homey.
Tess—Yes, but how did you know?
Jess—I heard him remark several
times that "handsome is as handsome
does."—Philadelphia Press.

Will Be Found In His Own ClubRossman and Crawford Also Have Chance for Hitting
Honors—Little Hope of Ousting Georgian
at His Present Clip.Tyrus Cobb seems to have a cinch on
the batting honors of the American
League, inasmuch as the work done by
Cobb, who only bats in ninth inning
placings, is not to be compared with the
all-season performance of the mighty
Georgian.It Cobb is to be shoved down at all,
the work will probably be done by some-
body in his own club, which contains two
most formidable candidates in Rossman
and Crawford. Eleven men in all are
hitting over the .300 mark, the average
grading tolerably well for this time of
the year. Detroit has a vast margin on
the team batting, Boston coming up
second. The Tigers also lead by a
large margin in extra base slugging,
while Chicago leads in fielding.Ten pitchers still have perfect field-
ing records. McFarland leads the catch-
ers, Donohue the first basemen, and
Kilfinger the second-sackers. Ferris ex-
cels at third, and Bradley at short,
while Hahn heads the gardeners.Records of men who have played
